

FIND THE ANSWERS

EVERYTHING CAN BE A CLUE...

The coordinates for a popular historic site in the Northwest can be found within the answers below. Find the answers, figure out the coordinates. The first person to post the correct answer on our Facebook page wins a \$20 gift certificate to Tenacious P's Teas & Commodities—the LC Valley's ONLY tea shop! Tenacious P will provide you with a list of teas and honeys available to purchase with your gift certificate and will arrange for delivery.

We'll make this "hunt" simple this time. Your coordinates are given in sequence by answers. To what degree are you willing to go to find the site? How many minutes will it take you? Let's see...

1. Human bones aren't quite granite, but they have far greater support strength than concrete. How much greater?
 - a. 5 times
 - b. 3 times
